## NEGRO WOMAN WAS MURDERED AT PINE BARREN

SHERIFF'S OFFICE WAS INFORMED EARLY LAST NIGHT OF BLOODY ATTACK BY LATELY-ARRIVED DARKEY.

Ruby Hogan's throat was cut, about 8 o'clock last night, at Pine Barren, the deed, it is alleged, having been the work of Emmet Thomas, a lately-arrived darkey in that neighborhood. The wounds inflicted upon the woman proved fatal, her death occurring within fifteen minutes after being attacked.

Sheriff Ellis left on the northbound train at 10 o'clock for Pine Barren, but it is understood there have been no arrests. Eye-witnesses, it was stated, allege that Thomas did the gory job. This negro, it was learned by the sheriff's office here, reached Pine Barren on the southbound passenger train, due here at 6:30 in the afternoon. Leaving the train at Pine Barren, the darkey hunted up Ruby Hogan, also colored, and a few words were exchanged. In fact it was but a short time, it was reported to the sheriff's office, before Thomas was seen running from the spot where the Hogan woman was later found, with her life blood gushing forth from a wound inflicted, evidently, by a keen knife or razor.

Should the sheriff succeed in arresting the black, against whom a charge of murder will be made, he will probably bring his prisoner here on the train which will pass Pine Barren at 8:24 o'clock this morning.

## INDIANS NOT IN IT WITH LOCALS

Cornett had no trouble in shutting out the Indian team of baseballists who included Pensacola in their southern itinerary, for a single game. The final score stood 3 to 6, in favor of the city team, and it was the general opinion that the Indians had better sharpen up in batting before again coming here for one or more games. The visitors were an interesting bunch, but that was all, for they were not ball players—really not as good as the advance notices would cause one to believe.

## NEW TRAIN TO ARRIVE HERE AT 9:20 A.M. TODAY

SERVICE BETWEEN PENSACOLA AND GEORGIANA, ALA., WILL THEN HAVE BEEN INAUGURATED BY THE L. & N.

With the arrival of train No. 9, at 9:20 o'clock this morning, the Louisville and Nashville railroad will have inaugurated an entirely new daily service between Pensacola and Georgiana, Ala. to serve at least twenty-five stations. At Flomaton connection is made with train No. 5, from Mobile on the northbound trip, and with train No. 6 on the southbound trip, the latter train being from Pensacola.

Schedule of trains Nos. 5 and 6 between Pensacola and Mobile, will be changed materially, to provide direct connection with Nos. 9 and 10, the new train, at Flomaton.

Train No. 6, heretofore leaving Pensacola at 7 a. m., will get away at 6:15 o'clock, or forty-five minutes earlier, and train No. 5, heretofore arriving at 6:30 p. m. from Mobile, will arrive fifteen minutes later, or at 6:45 o'clock.

The new train will leave Georgiana at 5:35 a. m., and in the state of Alabama, will stop at the following stations: Dunham, Garland, Wilcox, Owassee, Evergreen, Sparta, Castleberry, Kirkland, Brewton, Keego, Polk, and Flomaton. Leaving Flomaton at 7:45 a. m., all intermediate stations will be supplied, these being Century, Bluff Springs, McDavid, Chumuckla Springs, Pine Barren, Molino, Quintette, Cottage Hill, Cantonment, Gonzalez, Olive, Brent, and Goulding, to arrive at Pensacola at 9:20 o'clock. The train will leave north bound at 2:30 o'clock in the afternoon. Passengers will be afforded an opportunity of spending six hours in the city, which is just about enough time to allow the shopper to visit all the stores and to get dinner, then visit friends later in the afternoon.

## CITY'S AUTO IN A DITCH NEAR BAYVIEW PARK

CAR WAS DRIVEN BY CHAUFFEUR SCHULER AND WILL BE OUT OF COMMISSION FOR SOME TIME.

While being driven by chauffeur Schuler yesterday afternoon near Bayview Park, automobile No. 24, owned by the city and purchased for the police department, ran into a ditch. Up to a late hour last night it had not been hauled out. In fact, it was unofficially reported last night that the car would have to undergo considerable repairing before it is placed in active service again.

The car, which is a 1913 model, was in the car alone when it "found" the ditch and went to the bottom of same. The car did not overturn, but remained for hours in the state in which it found a resting place in the ditch, and it is possible that it will have to be pulled out by another auto before again being put in running order.

## AMUSEMENTS

### House of Bondage.

A filmed adaptation of Reginald Wright Kaufman's famous white slave story, "The House of Bondage," in six reels, the latest product of the studios of the Photo-Drama Motion Picture Company, is the attraction announced for the Isis theater, for one day only, Tuesday, July 28th.

Mr. Kaufman, who gained international fame by his startling exposure of the white slave traffic, has handled the theme with remarkable delicacy. The unique subject, enjoyed by him among the stellar lights of American fiction as the author who "tells a spade a spade" is supplemented by the unalloyed endorsement given the photograph by sociological and reform workers the country over.

How "the other half live" their modes, customs, pleasures, commingled with the sorrows that come to their ilk, are the salient features portrayed by Mr. Kaufman to evolve a heart throbbing by those who witness his photo-drama. In New Orleans it enjoyed a continuous run of seven weeks, following its Broadway appearance, and has been lauded as the most moral sermon ever flashed on a screen by the press, pulpit and public.

### "The Fulfillment."

"The Fulfillment," a stirring drama with Richard C. Travers, Irene Warfield, Thos. Cammerford, Clara Smith and Bryant Washburn, will be the feature at the Isis theatre today. The story deals with the love of a moderately wealthy girl for a young lieutenant attached to the United States navy, and of the jealousy of a rejected suitor. The young officer, in trying to get rid of the successful lover, the jealous rival starts a rumor that the lieutenant is dead, which reaches the girl just as she is preparing for the wedding and deranges her mind. The lieutenant, recovering, reads the account of his own death, forces his rival to bring the girl to him and confess, which he does, but the girl does not recognize either of them. Finally, as a last resort, the girl's home is arranged for the wedding and the lieutenant, in full uniform, approaches with traveling bag in hand. The girl recognizes him, the wedding proceeds and all ends happily.

In addition, Pathe's Weekly and J. Warren Kerrigan in "Out of the Valley" will be included in the program.

## OLD SETTLERS DAY TO BE MADE ANNUAL EVENT

SATURDAY'S PICNIC AT SHILOH RESULTED IN COMMITTEE BEING NAMED TO FORWARD PLAN

"Old Settlers' Day" will be an annual event in Pensacola territory after this being the result of the picnic which took place at Shiloh church, Saturday. At that time speeches were delivered, a good crowd attended, farmers heard a fine address from experts in agriculture, and everybody had a good time. The result was that a committee was named to see that Old Settlers' Day becomes an annual event, especially in the Shiloh church neighborhood.

This committee was composed of the following: Messrs. J. B. Ray, chairman; J. Coleman, Richard Edmonds, W. B. Godwin and H. K. Little. All these gentlemen have accepted the duties imposed upon them, and will take the matter up energetically.

Messrs. C. F. Zeek of Pensacola, and E. C. Pace, district farm demonstration agent, were present at the great gathering, and Mr. Pace, who is an expert on agricultural matters, delivered an address to the assembled farmers.

The proposition is for the establishment of Old Settlers' Day in that neighborhood, and anyone who has passed the sixtieth year will be an honored guest upon the occasion of such gatherings. Assembled from all sections, a gathering of the oldest settlers will be unique and interesting. These old people will be the guests of the younger generations, and the aged ones will be cared for and waited upon by the young people. The only requisite to be in the honor guest class will be the fact of having passed the 60th year.

The idea of having such a celebration will be adopted probably by other communities, and it should become popular. Old residents, who are now in different parts of the country, and who learned of arrangements for such an event, would likely each year seize upon the occasion to come here and mingle with friends of their youth, and spend many happy hours in the companionship. The success attending the Shiloh gathering was great and it will probably be the same in every community adopting the idea.

There is more of human interest in The Journal's "Want Ad Way" page than in any other part of the paper.

## PREACHING IN THE OPEN AIR

TWO CITY CHURCHES ADOPTED THIS RATHER UNUSUAL METHOD OF CONDUCTING SERVICES LAST EVENING.

Two churches in this city last evening conducted services in the open air, and at both gatherings there was good attendance.

The Knox Presbyterian church at the corner of Twelfth street and Thirteenth avenue, and the Gadsden Street Methodist church, at the corner of Gadsden street and 3d avenue, were the ones which conducted this rather unique method of holding services. At both places, there are beautiful grass lawns surrounding the church buildings, and seats were arranged in convenient manner about on the grass. Rev. J. A. Peterson preached at the Gadsden street church, and Rev. B. B. Shankel occupied a like office at the Knox church.

At the latter church preparations have been made for open air services each Sunday evening. Porch lights have been placed at convenient points on the grounds, gas lights being used, and the place is brightly illuminated. Many attend who might otherwise have hesitated on account of the warm weather.

## How to Keep Face Young and Attractive

The way to ward off old age is not to fear it, but to allow one's self to be oppressed by the dread of advancing years. Use only legitimate preventives and avoid trying experiments with preparations not indorsed by physicians. An entirely safe and very effective way to keep the complexion young-looking and beautiful is to apply ordinary mercurized wax at bed time, using it like cold cream, washing it off in the morning. This gradually absorbs the withered, faded outline, which is replaced by the more youthful, pink-tinted under skin. One ounce of this wax is had at any drug store, is enough to completely rejuvenate a worn-out complexion.

Crows feet and other wrinkles, the first signs of advancing age, may be removed by a simple, harmless preparation made by dissolving an ounce of powdered sassafras in a half pint of witch hazel. It is used as a face bath.
